

Notice regarding charges for issuing various certificates for graduates, etc.

Although we have been issuing official documents such as graduation certificates and academic transcripts free of charge until now, based on business costs that accompany certificate issuance and the beneficiary's burden, fees for issuing various certificates for graduates will be charged.

Moreover, the application method also will be changed, and applications will be accepted, in principle, on the website.

For more information such as the date when charging starts and the application method, we will make an announcement on our website as soon as they are decided.
