In the Faculty/Graduate School of Education, excellent academic advisors carefully guide and train Teacher–Training Students for their goals.

University overview

Characteristics and history
Mie University consists of five undergraduate faculties and five graduate schools (Humanities, Education, Medicine, Engineering and Bioreources).

The campus is located in Tsu city, blessed with an excellent natural environment facing the beach on the east and the Suzuka Mountains on the north-west.

The Center for International Education and Research plays a central role in the internationalization of Mie University. The center offers Japanese language classes for international students, special courses in English, and a summer school for students invited from partner universities.
