Regarding the International Party

国際交流パーティに参加して

Indra Fardhani

Graduate school of Bioresources (Indonesia)

When I attended the party, I was so happy and so excited because I had experience to see several performances from other countries and tried many kind of delicious foods. Besides that, we were glad because we had a chance to present our traditional dance and games.

After I come back to Indonesia, I will finish my second research thesis and consider to take doctoral degree while work as lecturer or field ecology researcher.

Visiting of Ueno High School in Iga

伊賀市上野高校へ訪問しました

Lowey, Dean
CIER (Germany)

Japanese Linguistics, Japanese Literature, the history of the Japanese Language (all periods from Old to Current Japanese)

On the 16th of December I went to the Ueno High School in Iga and took classes together with Japanese high school students. I joined class 3 and after exchanging greetings took part in Japanese history, sports and classic Japanese classes. We discussed the ministries of the Edo shogunate, played table tennis and read an excerpt from the hōjōki, ate lunch together, took a stroll through Iga, having the chance to talk and visit Iga castle and lastly I participated in one of the club activities.

Having my dream of going to a Japanese high school come true and being able to experience Japanese high school life, as well as deepening my understanding towards high school education, whilst also being allowed to answer questions in class was an experience I will never forget and cherish my whole life.

After finishing my M.A. I want to come back to Japan to do my doctor's degree, as I want to work as a Japanese professor at a Japanese university in the future.

国語学・日本文学・国語史(日本全時代専攻)

三重県立上野高校に訪問し、日本人高校生と共に授業を受けました。三組に入り、先生と学生と挨拶を交わしてから、日本史・体育・日本古典の三コマに参加しました。

江戸時代幕府の職制について教わったり、卓球をやったり、『方丈記』からの抜粋を読書したりし、又、高校生とお弁当を摂り、お喋りをしながら市内を廻り伊賀上野城等を見物したりして、最後に部活でした。

前々からの日本高校に通学するという夢が叶い、高校生の生活に浸れたと同時に、高校教育に対する理解を深め、授業で手をあげて古典文等を解釈させてもらって、生涯で忘れえない貴重な体験になりました。

修士課程卒業後、日本の大学で博士号取得を目指し、未来、日本の大学で国語(日本語)教授として就職したいです。
