 *All international flight schedules are 2009 Summer version.

<About Time>

The schedule shows by local time.

<About code-share flights>

A code-share flight is an alliance flight between allied airlines who share route networks and provide seating and collaborative sales. One aircraft will fly with the flight name of both airlines.

*The symbol(⊙,○)indicates a code-share flight.

*The symbol(⊙) indicates the airline that is providing the equipment and crew.
