The map provides a detailed overview of Mie University's campus, divided into four main quadrants (I, II, III, IV) and several smaller sections. Key buildings include the Information Center (I), Administration Building (A), Education Faculty Building (B), Nursing Education Building (C), Biological Resources Faculty Building (D), Humanities Faculty Building (E), Medical Faculty Building (F), Research Building I (K), Research Building II (J), Lecture Hall (N), and the Environment & Information Science Building (Y). The map also shows various sports fields, parking lots (P), and surrounding landmarks like the Kiso River, Kiso Station, and Route 23. A legend at the top right details symbols for facilities like toilets, wheelchairs, and vehicles. Below the map, individual building profiles are provided for each of the 26 buildings labeled in the legend.
