## ◆ Outline and characteristics of the course for Teacher Training Students

### ① Characteristics of the program

In the Faculty/Graduate School of Education, excellent academic advisors carefully guide and train Teacher-Training Students for their goals.

### ② Number of students to be accepted:

③ Period of scholarship: October 2026～March 2028

### ④ Requirement for program completion

### ⑤ Outline of the course

#### 【One year course】

- Japanese language education(6 months)

Students will receive six months of preparatory Japanese language education at the JASSO Osaka Japanese Language Education Center (Intended).

- Specialized training(1 year)

Each student pursues his major field of study under the guidance of an academic advisor for one year.

#### 【One and a half year course without Japanese language education】

※Only for those with sufficient Japanese language ability.

- Specialized training(1 and a half year)

Each student pursues his major field of study under the guidance of an academic advisor for one and a half year.

#### Participatory subjects such as field trips and regional exchanges

Each student is recommended to visit K-12 schools in Tsu or near Mie University, and to talk to students about his/her school lives in the native country.

#### Others

Students can join events organized by the Organization for International Education and Research.

## ◆ Accommodations

Mie University has three accommodations for international students. One of them, Foreign Students' Dormitory is a place where international students and Japanese students live together to gain global perspectives through cultural interactions.

① University Foreign Students House 6,900～14,000 yen (Under renovation)

② Foreign Students' Dormitory 7,500～30,000 yen

③ Women's Dormitory for International Students 5,900 yen per month
